

## Sketch to Stretch

Read the following paragraph which comes from the introduction to the Declaration of Independence of the Democratic Republic of Vietnam. Underline specific parts that are confusing. Then sketch out what you see and try to label on your drawing the parts you underlined in this text.

With the support of rich and poor peasants, workers, businessmen, landlords, students, and intellectuals, the Viet Minh [people fighting for independence] had expanded throughout northern Vietnam where it established new local governments, redistributed some lands, and opened warehouses to alleviate the hunger."
